

SlugMarket

An exclusive marketplace for UCSC students.

MVP:

- create and login into accounts
- post listings
- browse/search items
- contact sellers

Product Backlog:

User Story	Story Points
As a user, I want a login page so that I can log into my account or create an account.	5
As a user, I want to mark a listing as sold so that buyers know it's no longer available.	2
As a user, I want to view listing details so that I can decide whether to buy an item.	2
As a user, I want a browsable homepage so that I can discover available listings quickly.	8
As a user, I want to search listings by keyword so that I can quickly find items I'm looking for.	3
As a user, I want to filter listings so that I can narrow results by price or category.	5
As a user, I want my own listings to display on my profile so that I can track what I currently have for sale.	3
As a user, I want to edit/delete my listings so that I can keep my listings accurate or remove sold items.	5
As a user, I want to message a seller from a listing so that I can ask questions or arrange a transaction.	8
As a user, I want to fill out and submit a listing form so that I can post an item for sale.	8
As a user, I want to report a listing or user so that I can flag suspicious or inappropriate content.	2

As a user, I want a bottom navigation bar with links to Home, Search, Messages, and Profile so that I can move between core sections of the app.	3
As a user, I want to view my purchase history so that I can keep track of what I've bought.	3
As a user I want to review or rate sellers and buyers so that I can help other users make informed decisions.	3
As a user, I want my ratings/reviews to display on my profile so other users can determine if I'm trustworthy.	3
As a user, I want to add a bio to my profile page so that other users can learn about me before transacting.	1
As a user, I want a profile page so that I can appeal to others.	5
As a user, I want a messaging page so that I can keep track of my messages.	8
As a user, I want to visit other users' profiles so that I can learn about sellers before buying from them.	5
As a user, I want to upload images to my listing so that buyers can see what I'm selling.	5
As a user, I want to be able to upload a profile picture so that others can see what I look like.	3
